# USER STORIES

1.

As a new user, I want  
to create an account  
so that I can access  
the note-taking app.

2.

As a registered user,  
I want to log in to the  
app using my email  
and password to  
access my notes.

3.

As a user, I want to  
**reset my password** if I  
forget it, so I can  
regain access to my  
account.

# 4.

As a user, I want to manage my notes by creating, updating, deleting, and restoring them.

5.

As a **user**, I want to use a **rich text format editor** in my notes to emphasize and organize information.

6.

As a **user**, I want to  
**search for my notes**  
**and tasks** based on  
keywords in the title  
or content.

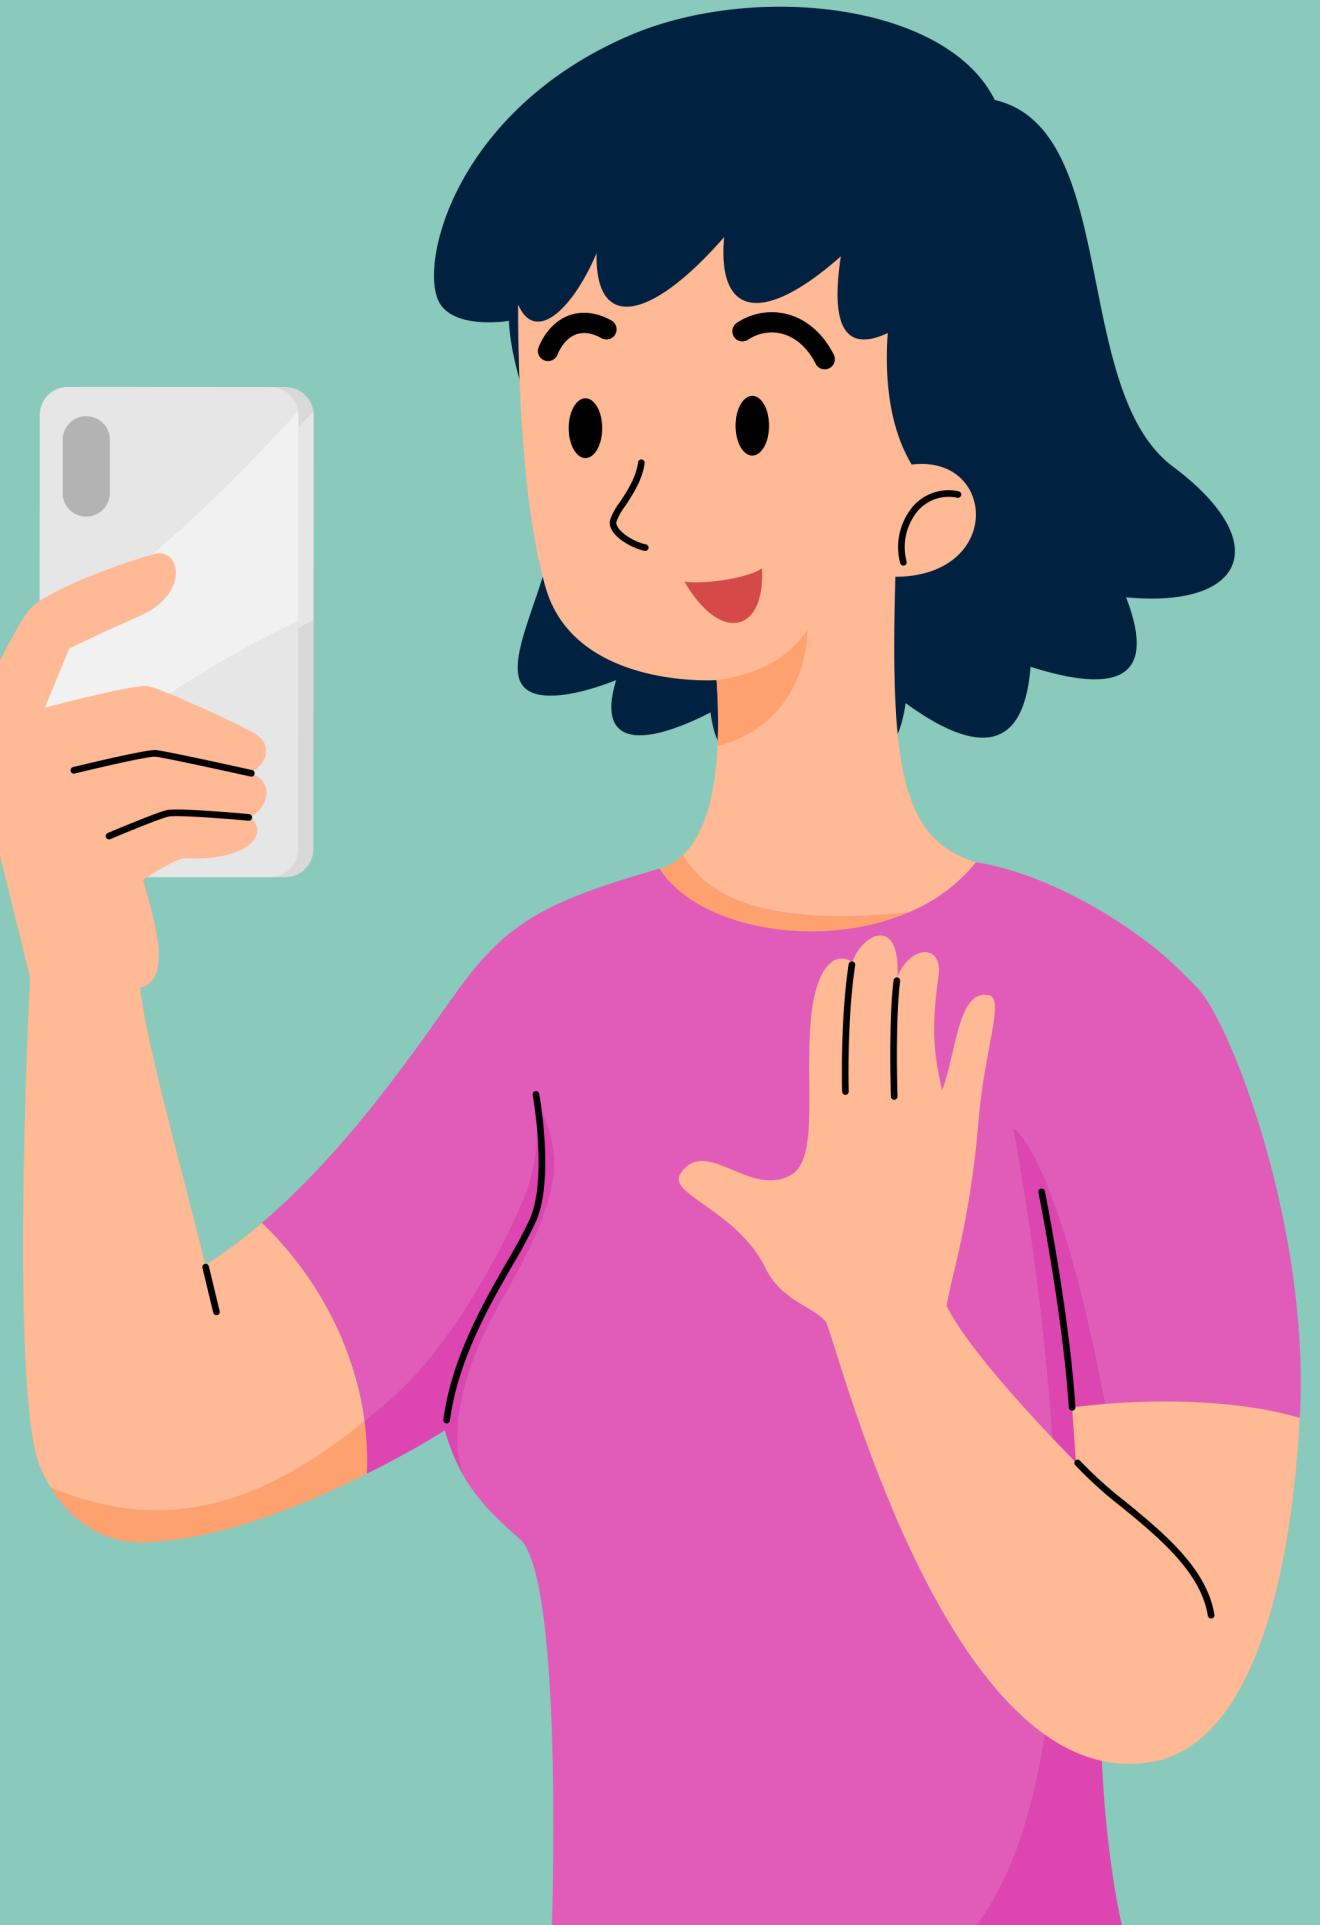

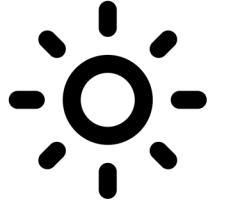

7.

As a user, I want to choose different color themes for my notes so I can personalize its look and feel.

8.

As a user, I want to  
secure my notes  
through a password  
for enhanced privacy.
